2021 Partidge in a Pear Tree Christmas Parade

RULES PLEASE READ

ALL ENTRIES MUST BE COMPLETELY LIGHTED

***NO SANTAS** please (we save him for last!)

We are encouraging entrants to be creative with their own theme for the season, judges will be looking for the most creative

Lights required: Be creative as possible with your lighting; battery operated lights, and clip on mini lights work great! Do not turn them on until parade starts. We want to see them "glow." Your theme should be carried throughout your entry including costumes and decorations.

-INSURANCE— Evidence of your insurance must be submitted with parade application. All floats and motorized vehicles must name Sedro-Woolley Chamber of Commerce and the City of Sedro-Woolley as "additional insured".

All equestrian groups, floats, and motorized vehicles will have combined single-limits of liability not less than $300,000. Individual equestrians will have combined single limits of personal liability not less than $100,000 (a copy of your current homeowner's or renter's declaration page is ok).

-NOTE-
Much of this is common, and in most instances, already met by current insurance. A simple copy of the policy declaration page is all that is needed.

If candy or other items are to be passed out, they MUST be handed safely to the crowd by people behind a barrier with masks and gloves. It will be dark and we do not want anyone to get hurt. You may hand out items, but please save the candy canes for Santa.

***ENTRANTS MAY NOT THROW ANYTHING TO THE SPECTATORS**
